Dear Barbara,

With gratitude, Food Backpacks 4 Kids is pleased to report that 2,000 cartons of shelf stable milk was purchased and distributed to food insecure children on the Key Peninsula. As a result of the generous donation from The Longbranch Foundation, we were able to include a carton of milk in the 200 backpacks each week for 10 weeks.

Having completed our annual survey of backpack participants, it was noted that milk was mentioned as a valuable addition to the backpacks. This supports our goal of providing a strong nutritional program, providing a sound basis for learning and personal growth for the recipient children.

We would also like to express our appreciation for inviting us to have a presence at the LIC rummage sale. It was an enjoyable, productive way of meeting other members of the Club and to share information with them as well as with community members.

Thank you, again, for your support of our efforts to feed the hungry children of our community.

Gratefully,
