

The Longbranch Foundation (TLF) - February 2021 Update

The Longbranch Foundation's Board of Directors is happy to announce that Jan Prichard has agreed to join the Board. Welcome Jan! Jan is our Student Programs Chair, and as you can see, has been doing a wonderful job for us.

Here is Jan's latest communication from Bette McCord at Evergreen: *"With the return of students to school in this time of social distancing, we are challenged with keeping our children safe. One way we are doing this is to provide each student with their own storage bin to keep all of their school supplies in. Our 3rd, 4th and 5th*

graders are coming on a split schedule, some morning and some afternoon. They will share the same learning space but have a bin to keep their supplies in that is put away when the students go home. The learning space will be sanitized between classes."

The Longbranch Foundation supported this request for 90 storage bins for Evergreen students.

Building Brighter Futures for Our Students

Mark your calendars now to reserve April 10, 2021 for our next gala auction to benefit our students.

Registration will begin March 18 to purchase food for your party.

STAY SAFE, STAY HEALTHY

The virus continues to haunt us, and Pierce County continues to see too many infections.

Please follow the recommended guidelines:

Wear a mask - indoors and out, wash your hands frequently and maintain at least a six-foot distance.

This is a simple way to show respect and kindness to others.

If you have any questions about or input for The Longbranch Foundation please do not hesitate to talk with one of our Board members: Randy Carr, Jim Hettinger, Marcia Harris, Marsha Kremen, David Zeigler, Sheryl Low, Michele Gorman, Jan Prichard or call me.
