

# THE LONGBRANCH FOUNDATION

INVESTING IN THE SOUTH KEY COMMUNITY

The day provided so much more than an opportunity to buy a few needed (or not so needed) items. It was an occasion to once again greet community on the grounds of the historic Longbranch Improvement Club. The morning was chilly, but the smiles were warm all around at the Super Sale, sponsored by The Longbranch Foundation. The proceeds from the event will directly benefit the club's unique building.

LIC is the ideal venue. The grounds also provide us the space to take a quiet walk through lovely trails with a friend, or to sit and share a bagged lunch with others in the community garden.

I want to extend a huge thank you to Bob and Barbara Green for their superb job coordinating the Super Sale. They put in many hours bringing this event together. And to those who volunteered time to promote the event, price items, set up tables, work the event and break down at the end of the day, and donate items to sell, thanks to each of you!

I would also like to thank Barb Riechers and Lori Zeigler for their tremendous work with the reprint of the 2013 Savories and Sweets cookbook and the new supplement, which will be available this summer.

Enjoy the month!

*A reminder, please continue to save your Food Market receipts for when we meet again.*

## Super Sale

Last Saturday was a **Super Day!**

Our fabulous group of volunteers came together for three days to coordinate a fantastic event to bring our community together. We were overwhelmed by the response. Before our opening hour we encountered a steady stream of vehicles into the parking lot and field. We thank the great teamwork from our parking crew, who responded quickly and were able to get everyone situated in an orderly manner.

It was wonderful to see so many smiling friends and neighbors carting away family treasures and gently used goods from their fellow Key Peninsula community members.

We want to thank everyone for participating in the **Super Sale** and making this a very successful event to benefit the Longbranch Foundation.

Bob Green
